PRO PREMIUM-5 Medication Program

ACUTE and ACA-MEC Meds No-Cost!

**Plus 200 CHRONIC Drugs
for Only \$5 per Fill.**

Welcome to BestChoice Rx

As a member of BestChoice Rx, there is no need to worry about the high cost of over 130 commonly prescribed medications. That is because we created the **PRO PREMIUM-5 Medication Program** to include 37 ACUTE and 95 ACA (Affordable Care Act) medications at no cost, plus 200 routinely prescribed CHRONIC drugs for only \$5 per fill.

You can view all medications in this program along with their co-pays on the following pages. Feel free to take this formulary to your physician to help them prescribe a listed medication so you can stay within your budget.

This Program is Easy to Use

You will receive an email with a link to your personalized Rx Card and instructions on how to set up your online medicine cabinet. Your electronic Rx Card can also be found by logging onto our website at **www.BestChoiceRx.com**. Just click on your username in the upper-right and then click 'Membership Card.' This card may also be used for everyone in your family/household.

The Rx Card will display your BIN, PCN and Group Number to present to the pharmacist. You can present this card to virtually any retail pharmacy (over 70,000 in network) and if on the formulary, you'll pay the listed copay. If your medication is not on the formulary, your out-of-pocket cost is based on a deeply discounted price.

We also offer a **Prescription Assistance Program (PAP)** for many medications over \$200. If you are on one of these costly drugs, visit **BestChoiceRx.com** and chat with our Customer Care team to get the information you need. You could save hundreds, maybe thousands a year.

You can always expect Rx Savings and Rx Value with BestChoice Rx.
